MoU has been made with STIR Education in the month of March 2018 towards implementation of the Intrinsic Teacher Motivation Programme. For the year 2018-19, this programme is planned to be implemented in Vellore District.

**STIR Education**

STIR aims to support all levels of the system to develop the key behaviours and mind-sets that comprise intrinsic motivation – reflective practice, collaboration, problem solving, self-efficacy and growth mind-set. It also aims towards an intrinsically motivated, self-improving, education system where everyone learns.

Through this programme, STIR aims to improve classroom practice and student learning. The core insight that underlies STIR's mission is the motivation mastery cycle for teachers. The aim of the programme is to motivate the teachers to make the biggest in-school difference in student learning and to sustain it.

The main objectives of the programme is:

- Focus on improving learning for all students in the system.
- Commitment to build collective capacity to improve teaching and learning.
- Positive approach to teachers and their capacity to lead improvement in the classroom and student learning.
- Willingness to use data and learn and improve during the implementation of the programme.

**Training programme:**

- ★ In the year 2018-19, STIR Education's Intrinsic Teacher Motivation Programme is planned to be conducted for all the Primary and Upper Primary teachers at Cluster level in Vellore District.
- ★ The programme is planned to be conducted in a cycle which will cover a period of three months. This cycle is termed Learning Improvement Cycle (LIC).
- ★ The LIC is an improvement process designed specifically to support change in classroom practice, as well as to develop teacher professional mindsets and behaviours.
- ★ STIR team will first conduct the orientation training to the District Team/**District Task Force** (the members have already been identified which comprises of DIET faculty, DC-Training, BRTEs and Teachers).

- ★ On training the district task force, a three days training programme will be conducted at district level to all the BRTEs. The district team will facilitate the training programme along with the STIR team and train the BRTEs at district.
