Sir/Ma'am,

As you are aware, the Chandrayaan-2 mission has been successfully launched by ISRO on 22nd July 2019. The mission comprises of an orbiter, lander and rover to explore the moon's south pole. Chandrayaan-2's Vikram lander is expected to land on the moon on September 7, 2019.

In this regard, to increase awareness about the space programme, an online quiz competition is being conducted by ISRO in coordination with MyGov.in from 10th August. The 2 top scoring students (from Class 8-10 only) from each state and Union Territory will be invited to ISRO, Bengaluru centre to watch the landing of Chandrayaan-2 on the Moon live along with the Hon'ble Prime Minister.

You may like to ask all schools in your State/UT to ensure maximum participation of students in this online quiz. They will need to visit the website <https://quiz.mygov.in> (<https://quiz.mygov.in/>) for this. Each participant will receive a certificate of participation.

DSE
16/8

Regards,

Maneesh Garg
